BISSE DE BEITRA

Carte nationale suisse d'excursion 1 : 50'000 : no. 274 T Viège

Dating from 1440 this bisse has recently been restored and carries water and is a very good example of the old construction methods.

Total length : Approximately 6 km

Altitude : Between 1300 and 1450 metres.

Route time : Approximately 2 hours.

Location : Visperterminen, to the left of the Rhône, above Visp

Difficulty : No particular difficulty.

Ordinance Survey map 1 : 50'000 no. 274 T Viège (Visp).

Best period : Mai to October.

It contains water from April to mid-October.

Start

From the Post Office car park in Visperterminen, follow the signs for Beitra Suon (green stickers on yellow signs) We advise you to complete the loop by passing the hamlet of Birch before descending to reach the point at which the bisse takes water.

Itinerary

From the car park follow the streets of Heruviertil and Peterlisstadelweg. Follow the tarmac road to Birch. There is no traffic on this road and you will be rewarded with a breathtaking view. Continue following the signs for Beitra Suon until you reach the hamlet of Birch. From here, follow a steep descent to the point at which the bisse takes water. Follow the bisse to Visperterminen.
