Reach Venthône by postal bus from Sierre. From Venthône, two options are possible. 1st option: you join the Chemin des Ziettes which is located at the exit of Venthône towards Montana on the main road in the first hairpin bend. At this point, you will find a wooden signpost “bisse Neul, Bénou”. To the left of the sign (GPS 46°18'43" N 7°31'54" E) a forest path (not very marked at the beginning) which climbs through the forest (5 minutes) will allow you to reach the bisse Neuf. 2nd option: from the center of the village of Venthône, you head due east on the Cordona road, to reach a parking lot (about 15 minutes walk) where you will find the sign “bisse”. Continue following the road for 350 meters to reach a path which climbs towards the bisse (signpost, 15 minutes climb).
