HAPPYLAND

WWW.HAPPYLAND.CH

This bisse is very short. It begins a hundred meters before the chapel of the Bouillet and the stretch that can be covered ends with the picnic place of Foncouverte. Its water intake is located on the other side of the Val d'Anniviers. The bisse crosses and overhangs the Navizence by a spectacular suspension bridge (pont de l'araignée). On weekends and holidays you can admire the brave bungee jumpers from the bridge. Access to browse the bisse is through Chalais and Briey. Access to the « pont de l'araignée » above the Navizence is through the Val d'Anniviers.

Start

Join the departure of the bisse from the road that climbs Briey at the intersection that joins the intermediate station of the Vercorin cable car. Direction chapel of Bouillet, bisse de Briey.

Once on the bisse walk along the bisse to the picnic place of Foncouverte.

(see under practical info)

Pont de l'araignée

On the road to Val d'Anniviers from Sierre, halfway between Niouc and Les Pontis, on the right of the main road there is a sign «JUMPING». Follow this road downhill for about 500 meters. Once there, you can admire from a footbridge the suspension bridge.
