Itinerary

To reach Eischoll, we recommend taking the cable car from Raron.

From the arrival station of the cable car, cross the village of Eischoll heading west to join the Habernstrasse road which must be followed uphill for a little over 1 km to reach the start of the bisse which is located above the road. It is also possible to follow a hiking trail that runs along the road downstream and joins it after 1 km.

Follow the bisse for 2 km to altitude point 1448 and descend towards Eischoll to reach the starting point.

Practical information

Very nice walk relatively uncrowded.
