### Departure & Itinerary

From Viège take a bus towards Eggerberg and get out at the stop marked «Berg». Climb for about 50 metres to reach the Bisse de Laldneri and follow it to the point at which it takes water. Cross the Baldchiederbach by a bridge and continue the trail to the Bisse de Wiigartneri. This bisse starts at an intersection (towards Ausserberg, Hohtenn). You set off on the flat towards the valley floor (don't follow sign-posts for Ausserberg). Follow the bisse as far as a forest road above the BLS train line. Follow the road to Baldschieder and from there continue to Viège (Visp) either on foot (30 minutes) or by bus.

Good walkers can go towards Ausserberg, Hohtenn (five hours walk) and return by bus (Ausserberg) or by train (Hohtenn) to Brig and Visp (Viège).

A varied and shady trail on the southern slope of the Lötschberg with meadows rich in the magnificent flora characteristic of such an arid region.
