

## Bisse du Milieu

## Bisse du Milieu

Built at the beginning of the eighteenth century, this bisse served not only an agricultural purpose but was also used as a source of energy for sawmills and grinders.

**Total length :** 5 km.

**Altitude :** Between 1500 and 1350 metres.

**Route time :** Approximately 3 hours. If you decide to walk the loop with the Bisse Vieux it will take between 3 and 4 hours.

**Location :** Haute-Nendaz, Planchouet, to the left of the Rhône. This bisse can be walked in a loop with the Bisse Vieux or the Bisse d'en Bas.

**Difficulty :** There are no particular difficulties.

Ordinance Survey map 1 : 50'000 no. 273 T Montana.

**Best period :** May to October.

**Navette des Bisses:** A shuttle bus runs between the start and end points of the Bisse d'en Bas, Bisse du Milieu, Bisse Vieux and Bisse de Vex. Please consult the timetable at the local tourist office.

This bisse contains water from mid-May to mid-October.

### Departure

From Haute-Nendaz, the bisse trail starts about 30 metres after the «Bifurcation le Déserteur» bus-stop.

### Itinerary

Follow the path as far as Planchouet. If you want to make a loop with the Bisse Vieux, from Planchouet make your way to Lavantier. The trail for the Bisse Vieux starts on the Siviez road just above the «Planchouet» bus-stop. Once you have Haute-Nendaz in sight, make your way to the village by whichever way you prefer.

**This bisse is part of the itinerary « Chemin des bisses en 3 jours de marche » about which you can find details on this site.**
